Dear Mark and Dave,

I would like to reach out to your team at Mersinco.

It is always such a pleasure dealing with the friendly and caring staff at your company. Carol, especially, is certain to be smiling!

As for your the products, we here at Brel Enterprises, continue to have success selling your Care Free Tire assemblies to our many happy customers.

We look forward to many more years of passing along your very dependable products and services.

Best regards.

Aaron and Don
